

750 Motor Club Limited – Brooklands Centre

“End of the World Tour” - 18th May to 27th May 2019

This year's holiday will take us to Galicia on the north-western coast of Spain. It was the end of the known world for the Romans!

18 May: Depart 8:45am from Portsmouth – 4 berth outside cabin per couple.

19 May: Arrive Santander. Drive along our well-trodden coastal route through Santillana del Mar, Comillas and San Vicente and then turn inland along the Rio Gargantas valley to Cangas d'Onis for a one night stop at Hotel La Cepada.

20 May: Drive along the Asturian coastline and on into Galicia for a one night stop at the Parador in Ribadeo overlooking the Eo estuary.

21 May: Drive around the rugged Calician coastline to Cabo Finisterre and then onto Hotel Bosque Mar near Reboredo for a 3 night stop.

22 May: Rest day – optional walk in the morning followed by gentle driving excursion.

23 May: Visit to Santiago de Compostela.

24 May: Inland drive through Galicia to the Parador in Corias for a one night stop.

25 May: Return to the Asturian coast for a one night stop at Hotel Miracielos near Llanes.

26 May: Gentle amble back to Santander to catch 17:15 ferry.

27 May Arrive at Portsmouth at 20:45.

All the hotels are of a high, or exceptional, standard. Breakfast is included at all hotels and supper at all except Cangas and Llanes. I will try and arrange supper at local restaurants for those 2 nights at additional cost.

The cost for the car ferry, cabin both ways, hotels and meals as stated is £1296.50 per person based on a couple in a car and sharing a room. This price is based on 10 cars participating in the event.

If you wish to take part on this event please complete the indemnity below and return by post or email to me as soon as possible. No booking will be made without reverting to you if the price has to changed.
