

750 Motor Club Limited

Brooklands Brittany Brake-Away

30 May – 6 June 2020

This year's holiday will be a return to our roots with a very gentle jaunt around Brittany and Normandy.

We will take the overnight crossing on Saturday 30th May from Portsmouth to St. Malo. Each couple will have an outside 4 berth en-suite cabin.

We will then drive the relatively short distance westwards to the Erquy for a 3 night stop at Hotel Beausejour. This is a simple traditional seaside hotel. Its restaurant is a few doors down the road (in reality, nearer than many hotels' own restaurant).

From there we drive eastwards into Normandy for a 3 night stop at a beautiful converted farm, La Ferme des Meres, at St Germain sur Ay. We will eat at its acclaimed restaurant.

I will lead guided gentle walks on our rest days in the usual way and will also suggest circular driving excursions.

We return on the express crossing from Cherbourg on Saturday 6 June arriving back at Portsmouth at 7pm which should give you at least a couple of hours' daylight if you wish to drive home that evening.

The anticipated cost for the holiday per person, based on 2 sharing a car/cabin/room is approximately £625. The final cost will only be determined once I have negotiated the price of the evening meals. The holiday cost includes the ferry crossings (with cabin as above on outward crossing), all hotel accommodation in France including breakfasts and evening meals. There will be a modest additional administration charge of about £15 per car.

I have made a provisional booking which needs to be confirmed by FRIDAY this week if the price is to be held.

If you wish to join me on this holiday, please complete the entry form/disclaimer overleaf and return to me **as soon as possible, please, by email or post**. I will not hold the reservation for you without this completed form even if you have advised that you wish to participate in the event.

At least 2 couples have advised me that they will already be in France either immediately before, or immediately after, this holiday. If they wish to join in, could they kindly telephone me so that I can explain the arrangements I have made.
