

The Brooklands Centre is planning a beach BBQ at Climping Beach near Littlehampton on 9th September 2020.

This date has been chosen to ensure that children will be back at School and the car park should not be too crowded.

To maintain social distancing please bring your own chairs and table so that we can spread ourselves out and if necessary set up different 'bubbles' of people.

Meet around the village green at Chiddingfold (Post Code GU8 4TX) at 10:30 am to leave at 11:00 am and arrive at Climping Beach at about midday. A suggested route will be given out at Chiddingfold.

(The suggested route may be sent by email to those not able to meet at Chiddingfold.)

The car park at Climping Beach (at Atherington Post Code BN17 5RN) has a pay cash machine only. The charge is £1:50 per hour or £7:00 all day so bring plenty of change.

BBQ's are permitted there and disposable BBQ's will be provided by the club.

There are toilets and a very basic cafe within the area of the car park.

If the weather forecast is sufficiently bad for the day an email will be sent out cancelling the BBQ.

To get an idea of numbers of people attending the BBQ please could you email Roger if you are interested in going. If possible please bring an 'older' car!
